

A diagram of a brick wall with a central horizontal row of eight numbered bricks. The bricks are arranged in a staggered pattern. The central row consists of eight white bricks with black outlines, each containing a number. The numbers from left to right are: 2, 1, 4, 3, 6, 5, 8, 7. The bricks in the rows above and below are gray with black outlines. The numbers are arranged in a sequence that is not strictly increasing or decreasing, but follows a specific pattern: 2, 1, 4, 3, 6, 5, 8, 7.

2	1	4	3	6	5	8	7
