

Snowman Keepsake

By Laura Kramer Doyle

FINISHED SIZE

4³/₈" x 4³/₄" x 1¹/₈" high.

MATERIALS

- One 8¹/₄" x 11" sheet of clear 14-count perforated plastic canvas
- Felt
- One 4-mm jump ring
- Craft glue or glue gun

"Snowman Keepsake" projects were stitched on 14-count perforated plastic canvas by Darice®, using DMC® floss. Felt by Kumin Felt Inc.

INSTRUCTIONS

NOTES: From perforated plastic canvas, cut the following pieces: one 58-wide x 64-high holes for Bottom; one 61-wide x 65-high holes for Top; two 58-wide x 14-high holes for Short Box Sides; two 63-wide x 14-high holes for Long Box Sides; two 64-wide x 6-high holes for Long Top Sides; two 62-wide x 6-high holes for Short Top Sides; and one 52-wide x 48-high holes for ornament.

1: For box pieces, center and stitch each design onto the appropriate piece of canvas using two strands floss for Cross-Stitch and one strand floss for Backstitch, Straight Stitch and French Knot.

2: Holding pieces wrong sides together, Whipstitch (see illustration) pieces together using two strands matching floss and following Assembly Diagram. With two strands of #562, Overcast (see illustration) top edge of box; overcast lower edge of top with two strands #815.

NOTE: Cut one piece of felt to fit interior of each box side, box bottom and box top.

3: Glue felt pieces in place.

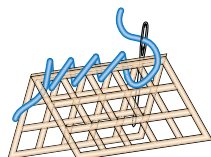

This little box is the perfect keeper for holiday treasures. Stitch the matching ornament to use as a coordinating gift tag!

4: Center and stitch "snowman" motif from Top graph onto ornament piece of canvas, using two strands floss for Cross-Stitch and one strand floss for Backstitch, Straight Stitch and French Knot.

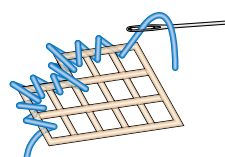

NOTE: From felt, cut one piece to fit back of snowman.

5: For ornament, glue felt to back of snowman. Place jump ring through one canvas hole at top of snowman.❖
